Lost in Communication

by Nightcrawler247

Summary

Hannibal's native langauge is not english. Even though he is very good at it, there are still time that he gets words mixed up. Sex is by far the most inconvient.

Or

Will says slower and Hannibal thinks he means faster.

See the end of the work for more notes

English is not Hannibal's first language.

It's not his second, third, or even fourth. So, while highly intelligent he some times mixes up the simplest of words. Will thought it a little funny and in some cases even adorable to watch him mistake words with each other so confidently.

That is until it happens during sex.
